## THANK YOU

*To my Sherwood family,*

*I would like to thank all of you for your prayers, love and help you have given to me after the fire at my apartment. It is greatly appreciated. I would also like to thank you for your prayers, cards and visits during my mother's (Ava Skiles) illness. She really enjoys the visits and the cards. It helps her to keep her hopes up. It has been very comforting to know you have all been here for us during all this time. My mom is getting better and she and I know it is due to all the prayers that have been given for her. She still has a way to go but I know we can get through it with all the prayers, love and support from our Sherwood family. We love you all.*

*In Christian love,  
Christy Button*

*Dear Sherwood family,*

*We are so thankful for your prayers, the beautiful cards and the food at the passing of my brother, Benny Whitley. We are so blessed to be part of such a caring congregation. We appreciate everything you have done for us.*

*In Christian love,  
Jerry & Carnell Whitley*
