THANK YOU

Your loving concern during my long absence from services with disc bulges in my neck has been more comforting and uplifting than I can express. Thank you, immensely, for the beautiful and clever cards that have brought such joy. Special thanks to those who have come to the rescue by grocery shopping and taking the time to transport me to physical therapy. Please continue to pray that the therapy will make it possible for me to keep my head upright without too much pain and difficulty, so that I can attend services again. How greatly you are loved and appreciated!

HONORFLIGHT

Our own Jay Greenfield just returned from Washington, D.C. after participating in the Honor Flight. Jay served in the Army in the Korean War. It was a spectacular trip for 140 veterans of all wars. Love of country was evident everywhere they went.
