This past Sunday, the elders met with Adam and Joselyn Bentley about how everything was going for them at SIBI in Lubbock. Many of you will remember that Sherwood as a church body and also some individuals supported Adam while he was in Toluca. While Sherwood no longer supports Adam, there are still several of our membership that do so privately. They told us that they will be losing \$350. of support by the end of this year. They also said that they will be losing their insurance at the end of this month. They said that replacing that insurance (while not as good as what they are losing) will cost \$430. The elders told Adam and Joselyn that we would let Sherwood members know of their need. If you would like to help in this effort, please contact the church office or contact them on their blog @<https://bentleysisaiah6.wordpress.com>
